1. PREAMBLE

Enderun Primary Schools is an independent educational institution dedicated to delivering accessible, high-quality education aligned with national curriculum standards. Enderun Primary Schools offers a unique individualized educational opportunity for scholars by focusing on each scholar's needs in the classroom. We know that an excellent education is as much about character development as academic achievement.

To that end, Enderun Primary Schools emphasize the core values of **Persistence, Achievement, Responsibility, and Kindness** in the classroom, in the learning labs, during sport, on the playground, and in the school. Our teachers and tutors discuss these core values with scholars throughout the school day and work with families to implement them at home.

2. ADMISSION AND ENROLMENT

- The admission and enrolment of scholars to the school is at the discretion of the principal, who may refuse scholar's admission to the school without giving reasons, or may grant temporary/provisional enrolment subject to further terms and conditions. The principal may cancel enrolment per the school's Parent Enrolment Agreement, School Rules, or Policies.
- This admission policy regulates the scholar's enrolment and admission to the school, and the legal relationship between the school, the scholar, and the parent/payer.
- **The scholar is only considered formally enrolled when the Application Fee and signed Agreement have been fully processed and paid.**
- Attending an independent school such as Enderun Primary Schools is a privilege, not a right.
- The parent or designated payer is responsible for the full payment of all tuition and administrative fees as set out in the Schedule of Fees.
- Failure to pay required school fees will result in the termination of the agreement and the scholar's enrolment at the school

Matters Relating to the Immigration Act (2002)

Enderun Primary Schools falls within the ambit of a "learning institution" as defined in the Immigration Act. In terms thereof (S39), the school may not provide instruction to an illegal foreigner or a foreigner whose status does not authorize them to receive education in South Africa.
